The Income and Expenses Summary 3rd Quarter report for the parish was approved unanimously with a motion made by Roger Kraft and seconded by Heidi Ankeny.

The last quarterly meeting brought questions regarding the Parish Endowment. The Parish Endowment Trust Fund was established April 25, 1995. The Finance Council has requested a quarterly report to be included in meeting reports. They would also like more details on how distribution is determined and what happens if they choose to reinvest. The Business Manager will contact the Catholic Futures Foundation where the Endowment is get this information.

Fr. Capadano started New Business with updates from the Parish Family. St. Mary's School has a new head teacher, Anne Ronhovde. Sara Westerhold has chosen to go back to the classroom teaching Pre-K/K. Mary Brady will retire at the end of 2026-27 so we are looking to hire for 2027-28. St. Mary's in Wayne is working with the Catholic Futures Foundation with Strategic Planning/Capital Campaign.

Considerable discussion was had regarding the Maintenance Committee project of repairing the steeple damage and updating shingles. Fr. Capadano is communicating with our insurance representative. Heidi Ankeny received an estimate from H & H Roofing of \$12,780. Several companies were contacted with H & H being the only one to respond. The Finance Council unanimously approved having the steeple project completed.

The tree removal project has been postponed until a later time considering the cost of the steeple project.

The Fish Fry was brought up with Roger Kraft suggesting that a Fish Fry Committee should start planning now. No members have been identified.

Fr. Capadano closed the meeting in prayer at 6:44pm. The next meeting is scheduled for September 15, 2026.
